

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The following memorial from the Adams County Council, was then read by Henry Asbury :

MEMORIAL.

To the Illinois State Grand Council U. L. A. :

The undersigned, a committee of the Adams County Council, respectfully represent, that at a meeting of their said council, held at their Council Chamber, in the city of Quincy, on the 7th day of August, A. D., 1863, the committee on the State of the Order, reported in favor of the appointment of a committee to memorialize the State Council on the subject of procuring proper diplomas or certificates of membership of the order of the U. L. A. in this State. Whereupon, the undersigned were appointed said committee. They therefore, now present this, their memorial, and ask for it such consideration as the Grand Council shall deem proper. They ask permission to add that in their estimation, a compliance on the part of the Grand Council, with the suggestions contained in said resolution of the Adams County Council, would be greatly beneficial to the order in our State. They believe that such a diploma or certificate, if gotten up with care, elaborate ornamentation and significance, would, and should be highly prized, and held as more honorable than any other document which an American citizen could possess. That it would bear testimony in long after years; that

during the great American Rebellion, its possessor, the man whose name it bears, had stood by his country; that he was a man in the great trial that could *stand by the Union*, and recognized the inseparable connection of Liberty and Union.

They think that such diploma or certificate should be gotten up under the supervision of your Secretary, signed by your President, and countersigned by your Secretary, and again signed by the President of the Local Council to which the party receiving the same belongs. That the expense for getting up the same, should be met by a tax of — cents on each party receiving the same, to be paid on the delivery of the diploma or certificate. They offer, for the purpose of carrying out the objects hereof, the following resolution:

Resolved, That the Secretary of this Grand Council is hereby instructed to have prepared under his direction and supervision, a diploma or certificate of membership, to be signed by the Grand President, and countersigned by the Grand Secretary in blank, and to be filled up and again signed by the President of such Local Council as may send for them. That such diplomas or certificates shall be delivered to every member of the U. L. A. in good standing, on such member paying — cents, the cost of preparing the same.

All of which is respectfully submitted.

COUNCIL GREELY, HARRISON DILL, HARVEY BALLARD, HENRY ASBURY.	}	Committee.
---	---	------------

The memorial was warmly supported by Henry Asbury and others.

On motion, the whole subject was laid on the table for further consideration.

The Finance Committee then made the following report:

To the Officers and members of the Illinois State Grand Council U. L. A.:

Your committee to whom was referred the question of finance for the current year, beg leave to submit the following recommendations:

1st. That a *per capita* tax of ten cents per annum, be levied on all members of the order in this State.

2d. That the County Councils within the State be charged with the duty of assessing and collecting said tax from their respective subordinate Councils, in semi-annual assessments of five cents in October, and five cents in April, and shall remit the same to the Grand Secretary.

Respectfully submitted.

R. P. LANE, B. PILKINGTON, B. H. MILLS, JAMES MILLER, JOHN H. BRYANT.	}	Committee.
---	---	------------

On motion, the report, (after some discussion,) was adopted.

The committee on nomination of Officers then made their report, and the officers by them nominated, were duly elected as follows:

HON. S. W. MOULTON,of Shelby,	<i>Grand President.</i>
A. J. BURBANK,of Cook,	<i>Grand Vice President.</i>
REV. GEO. I. KING,of Adams,	<i>Grand Chaplain.</i>
GEO. H. HARLOW,of Taxewell,	<i>Grand Secretary.</i>
S. H. MELVIN,of Sangamon,	<i>Grand Treasurer.</i>
CAPT. J. B. TAFT,of Stephenson,	<i>Grand Marshal.</i>
WM. L. HAMMER,of Macon,	<i>Grand Herald.</i>
L. S. NORTON,of Perry,	<i>Grand Sentinel.</i>

Hon. Mark Bangs then conducted the Grand President elect to the chair, and in a very happy speech, introduced him to the Grand Council, who received him with applause.

After thanking the Council for the honor conferred, and pledging himself to the faithful performance of his duties, President Moulton at once assumed the duties of his office, and proceeded to business. The officers elect then took their respective places. The Grand Secretary's Annual Report was then called for, which he responded to as follows :

GRAND SECRETARY'S REPORT.

UNION LEAGUE OF AMERICA.

OFFICE OF THE SECRETARY OF THE ILLINOIS GRAND COUNCIL,
Springfield, Ill., Sept. 1st, 1868.

To the Officers and Members of the U. L. A., in the Illinois Grand Council Assembled :

GENTLEMEN AND BROTHERS :—In presenting for your consideration and approval, my annual report, it seems befitting that I should give a brief history of the rise and progress of the noble and powerful organization we here represent, called the Union League of America, and in so doing, I will be as concise as possible.

During the winter of '61 and '62, the noble patriots of Tennessee ; men who loved liberty and our dear old flag, and who hated treason and traitors ; and for so loving and hating, were fugitives from their homes ; with the blood hounds of Jeff. Davis on their track ; hunted down like beasts ; thrown into vile loathsome dungeons ; robbed of household goods and household gods, their wives polluted and their children disgraced ; but, with a determined, indomitable spirit, these noble heroes remained true to God, their country and themselves ; and in the caves of the mountains of their loved State they gathered around the old flag that had for so many years protected them and theirs ; and with one hand on its sacred folds, and the other lifted towards heaven, solemnly swore eternal fidelity to it and the government it represented, and undying hatred and enmity to traitors and treason and their co-workers. From that noble band of patriots, hated, persecuted and despised as they were, has sprung the patriotic organization we here represent, and which is, in a silent but powerful manner, nerving the arm of our government in its efforts to put down this gigantic rebellion.

The history of those brave, noble hearted, iron fisted heroes of Tennessee, is known to you all, and the gallant stand they have taken in the front ranks of those fighting for liberty and the Union, is history, and I will not dwell thereon, but proceed at once and state the origin of the U. L. A. in the State of Illinois.

Early in the month of June, 1862, a number of earnest Union men residing in the county of Taxewell in this State, some of whom had been participants in the terrible struggle for liberty, then raging in Tennessee, and all knowing and feeling the bitter hatred that was expressed by a large number of citizens towards the administration, and knowing the determined opposition growing up against the war, and every effort made by the administration to crush the rebellion and to preserve our national existence, and feeling assured that some steps should be taken whereby true Union men could be known and depended upon in any emergency, and under any circumstances, and feeling the necessity of a firm and unconditional support of the administration in all its efforts to put down this rebellion, conceived the idea of organizing a *league*, similar to the one then existing in the mountains of Tennessee.

Taking as a basis the idea and principles of the League in Tennessee, on the 25th

day of June, A. D., 1862, the original council of the Union League of America, was organized in the city of Pekin, Tazewell county, State of Illinois, the following gentlemen being its original members:

John W. Glasgow, Dr. D. A. Cheever, Hart Montgomery, Major R. N. Cullom, Alexander Small, Rev. J. W. M. Vernon, Geo. H. Harlow, Charles Turner, Jonathan Merriam, Henry Pratt and L. F. Garrett.

A ritual, signs and pass-words, and a constitution were adopted, and the wheels of this now powerful organization put in motion.

Well knowing the great work that was before them, the gentlemen who composed this council of the U. L. A., laid the foundation broad and deep, and having an abiding faith that this League was destined (as it has since become by the blessing of God)—a powerful instrument in the hands of true Union men in sustaining and encouraging the administration in its efforts to put down treason and traitors; to preserve the Union in its whole territorial integrity; to maintain the laws, and to keep inviolate the principles of the constitution and the Declaration of Independence, and feeling that its aims were pure and patriotic, at the first session of Pekin Council, with the “fire of liberty burning upon the altar,” this infant organization was christened the UNION LEAGUE OF AMERICA, dedicated to the service of our beloved country, clothed with full powers, and sent forth to fulfill its patriotic mission. Agents were appointed to organize Councils in the surrounding towns and counties, and throughout the State. In a few weeks, as Corresponding Secretary of Pekin Council, I was notified that Councils were organized in Peoria and Kingston, in Peoria county; in Groveland, Delavan and Tremont, in Tazewell county; at Virginia and Beardstown, in Cass county; at Jacksonville, Springfield, Decatur, Bloomington, Clinton, Chicago, La Salle, and in other places. Each Council, when organized, was clothed with full power and authority to spread the good work far and wide.

About this time, the League was deprived, by death, of the services of the Rev. J. W. M. Vernon, one of the original and most valuable members. Mr. Vernon had been one of the most active workers in the formation of the League, and to him, in a great measure, is due the honor of planning and perfecting the workings of the U. L. A. Mr. Vernon being the travelling agent, and the only one the Pekin Council had appointed outside of Tazewell county, his death retarded the growth of the League in a great degree, but still it kept slowly increasing.

About the first of September, 1862, as Corresponding Secretary of Pekin Council, I was instructed to notify each Council in the State, of whom I had any knowledge, that there would be a convention of Councils held at the city of Bloomington, on the 25th day of September, A. D., 1862, for the purpose of organizing a State Council, and asking them to send delegates thereto.

I received favorable answers from nearly all the Councils with whom I had corresponded.

On the 25th day of September, A. D., 1862, nearly one year ago, the Convention of Councils of the U. L. A., met in the city of Bloomington, twelve counties being represented, as follows:

Cook County.....	JOSEPH MEDILL, PERKINS BASS.
Dewitt County.....	J. B. LITNER, R. W. WHEELER.
Henry County.....	ROMANUS HODGMAN, A. GOULD.
La Salle County	REV. J. C. RYBOLT, A. M. KELSEY.
McLean County.....	PROF. D. WILKINS, E. M. PRINCE.

Morgan County.....	DR. A. MCFARLAND, E. P. KIRBY.
Marshall County.....	HON. MARK BANGS, ARNOLD THORNTON.
Macon County.....	J. K. WARREN, J. R. GORRIN.
Peoria County.....	ENOCH EMERY, H. S. AUSTIN.
Sangamon County.....	JOHN E. ROSETTE.
Tazewell County.....	GEO. H. HARLOW, LLOYD SHAW.
Woodford County.....	L.B. McOMBER, S. S. STOMPSON, H. BUCKLY, REV. J. A. JOHNSON.

Nearly, if not all of the above named gentlemen are still active workers in the League. The Convention was a success in every particular; the delegates were enthusiastic, and felt confident that the work in which they were pioneers, would result in ultimate good to our beloved country, in her struggle for life and liberty.

The Constitution, Ritual, and the Unwritten Work was revised and adopted as the Work of the U. L. A., the Grand Council duly organized, and the following Officers and Executive Committee elected:

HON. MARK BANGS,.....	of Marshall County,.....	<i>Grand President.</i>
PROF. D. WILKINS,.....	of McLean County,.....	<i>Grand Vice President.</i>
GEO. H. HARLOW,.....	of Tazewell County,.....	<i>Grand Secretary.</i>
H. S. AUSTIN,.....	of Peoria County,.....	<i>Grand Treasurer.</i>
J. R. GORIN,.....	of Macon County,.....	<i>Grand Marshall.</i>
A. GOULD,.....	of Henry County,.....	<i>Grand Herald.</i>
JOHN E. ROSETTE,.....	of Sangamon County,.....	<i>Grand Sentinel.</i>

EXECUTIVE COMMITTEE.

JOSEPH MEDILL.....	of Cook county.
DR. A. MCFARLAND.....	of Morgan county.
J. K. WARREN.....	of Macon county.
REV. J. C. RYBOLT.....	of La Salle county.
HON. MARK BANGS.....	of Marshall county.
ENOCH EMERY.....	of Peoria county.
JOHN E. ROSETTE.....	of Sangamon county.

The organization of the U. L. A. was thus thoroughly systematized, the Grand Secretary instructed to issue charters, and each delegate pledged to do all in his power to spread the good work. After a renewal by the delegates of their solemn obligation to support, protect and defend the Constitution of the United States and the Flag thereof, the Grand Council adjourned to meet at the city of Springfield the second Wednesday in January, 1863, it being the 14th day of the month.

The League progressed slowly but surely, and like all other movements of high aims, and of a reformatory character, met with bitter and determined opposition from its open enemies, and that class of Union men called conservative, and the League being young and feeble, for months staggered beneath the load of odium heaped upon it by its open opposers and its secret foes. Although each member of the League worked faithfully, the work went slowly on, the opposition being almost too great to bear; but the "League Boys" having an abiding faith that GOD, TRUTH and JUSTICE were on their side, did not falter or look back, but pressed on in the path of duty they had marked out and in which they were determined to succeed.

Early in the month of October, 1862, Hon. John Wilson was duly empowered by Joseph Medill, Esq., Chairman of Illinois State Executive Committee to organize Councils in any part of the United States, and acting under that authority did, on the 27th day of October, 1862, organize a Council of the U. L. A. in Washington, D. C., and

under its authority the League was introduced into Pennsylvania, Maryland, New York, Connecticut and other States in which its influence has been felt.

About the 25th day of December, 1862, as Secretary of the Grand Council, I issued a call for counties to send delegates to the meeting of the Grand Council, to be held in the city of Springfield, January 14th, A. D. 1863.

The prospects of our beloved country and those of the U. L. A., at this time looked exceedingly dark and gloomy. The Union sentiment in our State seemed well nigh crushed out. Treason and traitors were rampant all over our State and stalked bold and defiant through the streets of our State Capital. Copperheads controlled our legislature, and by their acts were daily disgracing our State and bringing the blush of shame to the cheek of all honest men. Treason was in their hearts, and but for the act of our brave and noble Governor, Richard Yates, in proroguing that body of men, at its session the June following, God only knows what would have been the results. As it was, the State was saved from a deep and damning disgrace.

It was during these dark and gloomy days that the second session of the Illinois Grand Council of the U. L. A. was held in the city of Springfield; it being on Wednesday, January 14th, A. D. 1863, seven counties only being represented, viz:

De Witt county.....	M. A. MORRIS, B. T. JONES.
McLean county.....	JAMES ALLEN, Jr., Prof. D. WILKINS.
Madison county.....	B. H. MILLS.
Macon county.....	J. K. WARREN.
Sangamon county...	J. E. ROSETTE, H. M. MILLER.
Tazewell county.....	GEO. H. HARLOW.
Woodford county.....	ALEX. HAWTHORN.

This session of the Grand Council by its limited attendance, almost seemed like a failure, and the seeming lack of interest evinced by Union men in the objects of the League acted like an incubus on the minds of the delegates present. The verbal reports from delegates showed, that though the League was not rapidly, yet it was surely, gaining ground, and needed only the encouragement and the co-operation of Union men to make it a complete success. Yet despite the gloom ahead a spirit of determination was evinced by the delegates to go on in the work and overcome all obstacles.

Prof. D. Wilkins and Geo. H. Harlow, as a committee of conference, called upon Governor Richard Yates and had a long and very interesting interview with him. Feeling that the encouragement of the Governor was needed, the committee informed him of the session of the Grand Council then being held; the objects and aims of the U. L. A., and of the rather discouraging prospects before us, and asked his advice, and if he could properly give it his assistance also. After a patient hearing, the Governor at once advised us to keep on with the organization, saying that he believed from the information we imparted, and from the signs of the times, as he read them, that the League would be of invaluable service to the Government, and would be the means of checking, if not entirely preventing, what now there was great danger of—a bloody insurrection in our own State. He advised us to organize the League in every town and county in the State, and assured us of his hearty co-operation and assistance, as far as he could consistently give it.

Feeling very much encouraged by their interview with the Governor, the committee reported the results to the Grand Council, and thereby infused a new life and a hopeful feeling in the hearts of the members, who, after transacting some important business, adjourned, pledging themselves anew to spread the good work far and wide.

Six days thereafter, the State Executive Committee had a special session in the city of Peoria, and there and then the work was laid out for a vigorous campaign.

From that time until now the League continued to grow, and councils sprang up in all parts of the State; and through the exertion of Joseph Medill it was established in the States of Iowa, Wisconsin, Michigan, Indiana and Ohio. Other members of the committee were warmly engaged in the work: Enoch Emery, of Peoria, was doing a good work in his district and part of the State; J. K. Warren of Decatur, organized many councils in his section of the State; B. H. Mills, of Upper Alton, was doing a good work in Egypt; Rev. J. C. Rybolt, of La Salle, had built up the cause in his part of the State, and in fact all the members of the Executive Committee worked faithfully and well.

On the 28th day of February 1863, the following circular was issued to each member of the Executive Committee:

"DEAR SIR:—The rapid spread of the U. L. and many suggestions for alterations of the written and unwritten work, together with an expressed desire of gentlemen from adjoining States, we request you to join us in a call for a session of the State Council, to be held at Chicago, on Wednesday, the 25th of March next, at which time it is proposed to meet delegates from Wisconsin, Iowa, Michigan, Ohio, the District of Columbia, and perhaps other States. The following are some of the reasons why we deem such a session necessary:

1. As the organization spreads, improvements, alterations and emendations are suggested in the Ritual and Constitution. These come not only from this, but other States. As the present edition of Constitution and Rituals are nearly exhausted, it will be well to make these changes, if at all, before the next edition comes off.

2. The necessity of making arrangements for a Grand National Council. The order has not only spread into the States above named, but into Pennsylvania, through New Hampshire and Connecticut, and through a branch organization at Washington it is being carried into other loyal States. The Washington Council is assuming to act as a central organization, and is talking of calling a National Convention on its own authority.

3. The necessity, which is very generally recognized, of adding a second degree to the order.

4. The desire expressed by members in other States to meet informally with Illinois members, and consult for the general good.

If you concur in the above, please address Mr. Emery, at once, at Peoria, that he may instruct the Grand Secretary to issue the call. It is desired that the Executive Committee meet the day before the Convention, to consider the proposed amendments to the work, and join in recommending changes to the Council when it meets.

Respectfully,

J. MEDILL,
E. EMERY,

Members of Executive Committee.

PEORIA, Feb. 28th, 1863.

The members of the Executive Committee fully concurring in the above circular, Mr. Enoch Emery notified me to issue the call for a special meeting of the Grand Council, which I responded to as follows:

OFFICE OF THE SECRETARY OF THE ILLINOIS GRAND COUNCIL U. L. A.,
PEKIN, March 9, 1863.

SIR—You are hereby notified that there will be a special meeting of the Grand Council of the U. L. A. for Illinois, to be held at Chicago, March 25th, 1863, at 10 o'clock, A. M. Your County Council is required to send its proper number of delegates, who will report themselves in person to the Grand Secretary, at the Tremont House.

Yours for Liberty and the Union,

GEO. H. HARLOW,
Grand Secretary.

This circular was sent to all the Councils in the State of which I had any record, and the results were, that on the 25th day of March, A. D. 1863, over seventy-five delegates, representing fifty-two counties of this State, and 404 Councils, together with a number of delegates from Ohio, Indiana, Michigan, Wisconsin, Iowa and Minnesota met in Grand Council. The proceedings of this session of the Grand Council have

been published, and are doubtless familiar to you all. Delegates were chosen to attend the National Convention of State Councils to be held in Cleveland, Ohio, on the 20th day of May, 1863, for the purpose of organizing a National Grand Council of the U. L. A., Illinois being the pioneer in this movement. At this session of the State Council a recess was taken, and upon motion, the State Council resolved itself into a general convention; when the following proceedings were had, to wit:

"On motion, Hon. Rush R. Sloane, of Ohio, was called to the chair to preside. The committee, through its secretary, Dr. E. Guilbert, reported, that they had agreed upon a plan of action, which it was thought would harmonize the conflict of jurisdiction. They advised the holding of a National Convention of U. L. delegates, to meet at Cleveland, Ohio, May 20th, 1863, each State to send as many delegates as it is entitled to Senators and Representatives in Congress, and the District of Columbia, four delegates; and they recommend all loyal organizations, having kindred objects, to be invited to send delegates to said convention, with a view toward the combination of all these organizations into one strong, effective and harmonious association of unconditional Union men.

The report of the committee was unanimously adopted, and the committee instructed to prepare a circular letter, in the name and by the authority of this convention, to be sent to the officers of the Union League, and the officers of kindred associations, in all the loyal States, inviting them to take steps to have delegates elected to said National Convention. In accordance with the desire and order of the convention, the said committee prepared the following circular letter, which has been printed and circulated, to the number of five hundred copies:

CHICAGO, ILL., March 28, 1863.

BROTHERS OF THE U. L. A.:—On Wednesday, the 25th March, 1863, the Grand Council of Illinois, the parent G. C. of the U. L. A., met in special convocation at Chicago, Illinois.

This convocation was attended by delegates of subordinate organizations in the following States, which were represented, viz: Minnesota, Iowa, Wisconsin, Michigan and Ohio. The whole number of members and delegates in attendance was very large. Among the leading questions which were set down for discussion, the most prominent was the organization of a National Grand Council of the Order; it being deemed of the last importance that some central organization should be created, and endowed by its subordinates with such powers as would enable it to decide, and decide authoritatively, upon all questions of jurisdiction and League polity, all ritualistic differences and constitutional entanglements.

It was averred at this convocation, that a body claiming to be the National Grand Council, already existed at Washington, D. C., whose jurisdiction, however acquired, was acknowledged by subordinate Councils in some Eastern and Western States, and that a grave question of jurisdiction was growing up, which bade fair to disrupt the Order unless conflicting interests could be harmonized. Having the good of the Order at heart, and desiring nothing so much as to render the U. L. A. useful and efficient to the full extent of its scope and aims, the G. C. of Illinois appointed a committee of gentlemen from each State represented, instructing the committee to prepare and report a plan whereby a National Organization, to represent the whole order in the loyal States, could be formed and made effective. That committee met and adopted the following resolutions, which, on the evening of the day aforesaid, were reported to a convention consisting of the G. C. of Illinois, and the delegates from the States before named, and of which convention Judge Rush R. Sloane, of Ohio, was the chairman, and Hon. R. E. Trowbridge, M. C. of Michigan, was the secretary.

The resolutions were unanimously adopted, and are as follows, viz:

Resolved, That a committee, consisting of two members from each of the States of Minnesota, Iowa, Wisconsin, Illinois, Michigan, Indiana, and Ohio, be appointed by this convention, whose duty shall be, to confer immediately with the Washington organization, and to urge upon that body to unite with the North West in a call for a convention, to be holden at Cleveland, Ohio, on the third Wednesday in May, proximo,

being the 20th day of the month, for the purpose of organizing a National G. C. of the U. L. A.

Resolved, That the basis of representation in the said National Convention, be two at large, and one from each Congressional District in every State, and four from the District of Columbia, the delegates from the States being appointed by separate State Grand Councils, or by conventions called for that purpose, where no State organization exists, the delegates from the District of Columbia being elected by the Washington organization.

In obedience to the first resolution, the gentlemen whose names are appended to this circular were unanimously elected said Committee of Conference.

The committee so elected, met at the Tremont House, Chicago, on Thursday A. M., 26th March, and after electing Judge Rush R. Sloane, of Ohio, as Chairman, and Dr. E. A. Guilbert, of Iowa, as Secretary, instructed the Secretary to prepare this circular. It is proper to state that the convention by whom the committee were appointed, decided that all loyal organizations, having kindred objects, should be addressed upon the subject of a National Organization, and should be invited to join us at Cleveland, with a view toward the combination of all these organizations into one strong, effective and harmonious association of unconditionally Union men. The maintenance of the laws of the United States, the suppression of the causeless and wicked rebellion which is now devastating the South, and the perpetuation of the liberties for which our patriot fathers fought and bled, are the sole objects we have in view. The Government of our country, now sorely beleaguered by traitors, demands and should have, our hearty and efficient aid. Organization is the life and soul of such assistance. The issues of the day are solemnly momentous and the occasion fleeting, and we therefore earnestly adjure the Washington organization, and all other kindred associations, to unite with us, and to meet us at Cleveland, on the day mentioned, that *then and there* we may dedicate ourselves anew to the service of our country, and effect such an organization as shall strengthen the Government, and shall deepen and intensify the wholesome fear which has already begun to blanch the brazen faces of the Judases of the North.

The Post Office address of each member of the committee is appended, so that any one of them may be addressed upon the subject matter of this circular, and we cordially and warmly urge it upon the Washington organization, that they adopt this circular or its substance, and at once take measures to communicate their approval of its objects to all their subordinates.

The Union League of America had now taken a prominent and honorable position among the organizations of the day and has been growing rapidly in strength and power from that day to this.

On the 25th day of March, 1863, there were in the State of Illinois 404 Councils of the U. L. A., with a membership of 47,330. Of the 404 Councils only about 200 were working under a charter from the State Council. Five months have passed since then and now there are over eleven hundred Councils. Ten hundred and sixty-eight being duly and regularly chartered with a membership of *one hundred and twenty-five thousand*. Brothers of the League, we have cause to be thankful and proud of the glorious result of our labors.

I herewith present for your approval a statement showing the financial condition of the Illinois Grand Council, its receipts and disbursements since the first organization of the League, June 25, 1862. (See Appendix A.)

SANITARY WORK.

The League continued to grow in strength and usefulness. Councils were springing up in all parts of the State; yet while trying to inculcate into the public mind a pure and healthy Union sentiment our brave boys in the hospital and camp or on the bloody battle field were not forgotten.

The Ladies Soldiers Aid Societies had been doing much good, but more help was required. Just before the fall of Vicksburg, C. T. Chase, the efficient and energetic assistant of Col. John Williams, the Commissary General, in charge of the State Sanitary Bureau, called upon me with an appeal to the friends of the soldiers just issued by Col. Williams, in which the necessity of the prompt action of our citizens was set forth. Feeling that the appeal would reach the hearts and attention of the loyal men of the State by and through the U. L. A., and at the request of Mr. Chase, I issued a circular to every Council in the State, calling the attention of the "League Boys" to the appeal made by Col. Williams, and urged them to respond liberally and promptly. This circular was sent with the appeal to every Council in the State. The effect was magical. The "League Boys," true to their creed, sent their installments of fives, tens, twenties, fifties and hundreds, until within the space of six weeks or two months, over *twenty-five thousand dollars in cash* had been received by Col. Williams, besides a vast amount of sanitary stores. Through the influence of the "League," large amounts of money and sanitary stores were also sent to Hon. Mark Skinner, President of the Chicago Sanitary Commission. This prompt action on the part of the League is a glorious testimonial of its powerful influence for good. By the timely assistance thus rendered, the brave soldiers of the Union were made comparatively com-

fortable, and many thousands of our sick and wounded boys thanked God, the Sanitary Commission and their friends at home, for this assurance that they were thus always in their thoughts.

The good work thus begun has not slackened, but a continual stream of money and sanitary goods is pouring into the hands of the sanitary agents, who, in their turn, are sending to the armies of the Tennessee and Cumberland.

Well may the members of the League in Illinois feel proud of the aid they have rendered in this good work.

I herewith present the report of Col. John Williams, showing the amount of cash received to September 1, 1863, and from what source. (See Appendix B.)

The League throughout the State is daily becoming more thoroughly organized. There are now Councils in every county, with the exception of Calhoun, Vermilion and Scott. Every county should and must be thoroughly organized; and I particularly urge it upon the attention of the members of the Executive Committee of the 7th and 10th Districts, that they at once take measures to introduce the League in the above named counties.

There are now 68 counties in which County Councils are organized, and others are taking the necessary steps for that purpose. Feeling and knowing the importance of a thorough and complete organization in each county, I respectfully urge all the members of the League to see to it that their county is thoroughly posted in the work, and a County Council organized. In order that the workings of the League may be perfect and effective throughout the State, the work I suggest must be done.

The Grand Council is under many obligations to the members of the Executive Committee for the work they have done in establishing the League in their respective districts. Especial credit is due to L. S. Norton, of Perry county, member of the 13th District, for to his efforts are mainly due the very flattering prospects of the League in the counties of Pope, Massac, Hardin, Gallatin, Union, Jackson, Williamson, Saline, White, Johnson and Perry, and to Capt. J. F. Cumming, of the 10th District, J. C. Scott, of the 11th District, and B. H. Mills, of the 12th District, much credit is due for the great work they have done in Southern Illinois, and to Messrs. Joseph Medill, B. Y. Perce, Hon. Anson S. Miller, Rev. J. C. Rybolt, Rev. George I. King, Enoch Emery, J. K. Warren, Dr. A. McFarland, John E. Rosette, and James Allen, the Grand Council are indebted for the energy and perseverance they have displayed and for the work they have done in their respective districts.

At the last session of the State Executive Committee, held in Springfield on the 6th ultimo, I was instructed to send certain resolutions to each Council in the State. I embodied those resolutions in the call for this session of the Grand Council, together with order No. 4, issued about that time by General Fuller. From the reports daily received by me, those resolutions and the order No. 4, have had the effect of encouraging Union men in all parts of the State, and I trust will have the good effect desired by all loyal citizens.

In conclusion, I tender my hearty thanks to the members of the League in all parts of the State for the prompt and willing assistance they have rendered me in my arduous endeavors to perfect the organization of the U. L. A. There remains much to be done, but with the same hearty and cheerful co-operation of all the "Brothers of the League," the task, heavy as it is, will, be made comparatively easy, and the powerful influence for good the League is now exerting will continue to grow stronger and stronger each day, until our dear old flag will wave in triumph, loved and respected from Maine to Mexico—from the Atlantic to the Pacific, and until all the nations on

earth will look upon its beloved and sacred folds as they flutter in the breeze, and acknowledge it as the true and eternal emblem of Freedom.

Respectfully submitted,

GEORGE H. HARLOW,
Grand Secretary.

H. S. Austin, Grand Treasurer, then made his report as follows:
